

## ACCEPTING BIDS FOR SNOW REMOVAL

### SNOW REMOVAL SPECIFICATIONS

For The Following Years

2024-2025, 2025-2026

The following areas need to be free and clear of ice and snow:

1. All sidewalks and building entrances
2. Both parking lots
3. The blacktop area
4. Playground area

#### Salting

1. All sidewalks and entrances
2. The blacktop area which includes playground
3. All parking lots

- This bid will only be for days of operation. Any special events that require snow and/or salt will be directed by the Maintenance/Transportation Director
- All bids should include price per hour rate for snow and salt removal. If price per hour changes for just salting, please make sure to have on bid proposal. All equipment that will be used at the school district should be included on the bid proposal.

Submission Deadline: 3:00pm, September 20, 2024
